The 2020 Youth Rally will
take place July 20th-25th
in San Diego, CA

Dear Provider:

The attached form requires completion as part of the application process for your patient's participation in the 2020 Youth Rally. Please find a brief description of our program below. I can be contacted as needed for additional information.

On behalf of our Board of Directors, thank you for everything you do to support quality of life efforts among our shared population!

Emily Mallar

President, Youth Rally (Volunteers since 2003) | Diagnosis: Crohn's Disease with ileostomy
Ithaca, NY | 607.592.3728 | Website: www.youthrally.org | Email: info@youthrally.org

PROGRAM OVERVIEW: The Youth Rally is a recognized 501(c)(3) non-profit organization, operated 100% by volunteers, that puts on a 5-night camp each year for youth ages 11-17 living with various chronic conditions, congenital birth defects, and others who have been victims of physical trauma. What makes the Youth Rally unique is that more than 96% of the volunteer counselors (and many of our volunteer nurses) live with the same sorts of conditions as the camper participants - many of which require ostomy surgery or some alternate surgical diversion of the bowel or bladder system(s) in order to sustain life.

YOUTH RALLY MISSION STATEMENT: *To provide an environment for adolescents living with conditions of the bowel and bladder that encourages self-confidence and independent living.*

PROGRAM PARTICIPANTS: In 2019 the Youth Rally hosted 165 campers and 98 volunteers – 21 of them nurses! - to help support the campers to self-manage their conditions on-site. Youth Rally 2019 participants came from 39 US states and as far as France!

LOCATION: The 2020 Youth Rally will be hosted at San Diego State University in sunny California. With a fully-accessible dormitory and meeting spaces, its close proximity to pediatric specialists (in the event of unplanned illness), and an amalgam of local area attractions, SDSU is an ideal location for this camp.

PROGRAM AGENDA: Throughout the week we facilitate small and large group education sessions focusing around diagnoses, management techniques, self-esteem, health and wellness, college preparation, and patient advocacy. Recreational activities include a field trip, a fitness themed event at the campus recreation facility, a Makerspace, and an end-of-week themed Dance. All activities are designed to teach the youth participants that they can set goals and accomplish their dreams despite medical and physical challenges. Youth Rally is an opportunity for all participants to shine in an environment surrounded by their peers where they get the opportunity to be open and honest about their condition without fear of being ostracized for their differences, knowing that they are never alone!

Name of Charity: Youth Rally Committee, Inc.
Fed Tax ID#: 20-3579812

Yes. There *IS* a camp for that.
